

WEBINAR SESSION

What are our options for children with severe asthma?

Join **Professor Eckard Hamelmann** for a thought-provoking discussion on the management of children with severe asthma. Chaired by **Dr Atul Gupta** (Consultant Respiratory Paediatrician), the webinar will cover the **goals of asthma control, global and national recommendations**, as well as an **overview of the maintenance controller therapies** available for children with severe asthma.

WE HOPE YOU CAN JOIN US
THURSDAY 2ND APRIL • 13:25–14:25

Professor Eckard Hamelmann is a Specialist in Paediatric pneumonology at the Evangelist Hospital Bielefeld, Germany.
